Internet WEI ministry
40 churches or individuals
\$300 per month investment

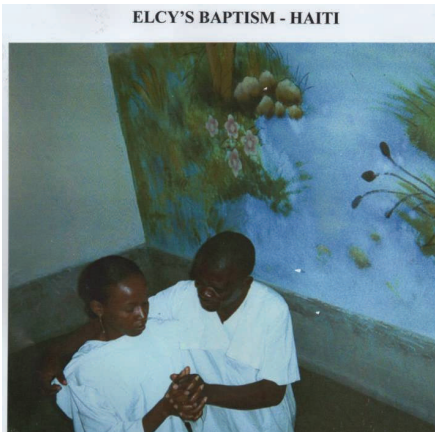

We need 40 churches or individuals to commit \$300 per month to help us teach the Word of God to tens of thousands of more students by Internet!

POTENTIAL IS UNLIMITED, BUT OUR FUNDS ARE NOT...

Our Internet teaching ministry is exploding with untapped potential.

We are currently starting approximately 1000 Bible studies per month, but we could easily increase that 10 times. In order to do this we must increase the capacity of our web site and hire full time staff to help build and maintain such a large operation.

We have more students wanting to study our Bible and English grammar material than our current Internet operation can handle. Just over the last few years, hundreds have put on Christ in baptism as a direct or indirect result of WEI Internet studies.

WEI Internet student being baptized in Haiti

LAUNCH DATE JANUARY, 2013

We must have this additional support in place by January 2013. Please give prayerful consideration to partnering with us in this "...go into all the world ministry." Help us reach 1000's of more souls like this student from Montenegro.

Marsita from Montenegro became a Christian through a WEI Internet study. Bledi, an Albanian preacher from the church of Christ in Tirana, met with her and baptized her.

A new church is planted in Crete and many are baptized, due to the direct influence of one WEI Internet student who was baptized into Christ.
